## **PROGRAM DESCRIPTIONS**

**Ask Your Master Gardener** — Open Q & A session the first Tuesday of every month with Master Gardener, Tom Cuccia, at the Pearl River Library.

**Beginning Quilting** — This 4-session hands-on beginners class will cover basic skills for preparing and cutting fabric, accurate piecing, and construction of basic blocks frequently used in constructing quilt tops. A sewing machine and basic sewing supplies are required. A supply list will be provided.

**Budgeting: Financial Checkup** — Join Gulf Coast Bank's Diane Brehm and Lori Corley to understand where your money goes every month, discover how to save money every month, and learn how to put more of your money back into your pocket every pay day.

**College Financial Planning** — Financial advisor Nick Randazzo with Northshore Capital Planning presents all the ways you can pay for college in this one hour seminar. He also offers a free consultation if you attend one of the seminars at the library, but you are not under any obligation to take him up on that offer. To register, please go to: [www.mylocalevent.org](http://www.mylocalevent.org) with RSVP code: 51219 for the event on Feb. 15 and RSVP code: 12249 for the Feb. 22 event so he can have a folder premade for you to go through at the seminar.

**Coloring Time** — Coloring sheets from books designed especially for adults, crayons, markers and colored pencils will be provided or you can bring your own.

**Dabble with Scrabble** — Relieve stress, increase your vocabulary and meet new people!

**Film Viewing: *Selma – The Bridge to the Ballot*** — Join us for a film viewing of the true story of the heroes in the fight for voting rights—the courageous students and teachers of Selma, Alabama, who stood up against injustice despite facing intimidation, arrests and violence. By organizing and marching bravely, these change-makers achieved one of the most significant victories of the civil rights era.

**Food & Heart Health** — Join Marlise Eschete from the St. Tammany Parish Hospital Parenting Center to learn healthy food tips for taking care of your heart.

**How to Lay Out a Photobook** — Learn how to assemble your own poems, writing, recipes, art or family photos into a beautifully printed and bound book. Join professional photographer and writer, Deborah Burst, to learn how to use formatting software and discover printing options that are budget-friendly.

**Japanese Dance** — Japanese Consulate recognized instructor, Sugai Barker, teaches this intro class to all skill levels.

**Love Rock Painting** — Paint and decorate your own special rock with messages of love and friendship for your garden, home, or as a gift for a loved one or friend. Bring your favorite rock(s) to paint. All supplies will be provided.

**Winter Card Making** — Presenter Kaki DiCarlo will lead participants through the card-making process step-by-step. All skill levels are welcome. DiCarlo has been crafting and teaching classes for all ages for many years. Supplies included with registration, however please bring your own scrapbooking supplies such as scissors, stamps, and ruler or tape runner should you have them.

**Yoga** — Stretch, strengthen and relax with certified yoga instructor, Janine Mejia, during this 6-week series of gentle Hatha-style yoga. Please bring your own mat and wear comfortable clothes that you can move in.
