Fairy Tale Prompts:

- ★ A young squire struggles to use a sword but must rescue his knight. He is aided, not by his noble steed, but by a _____, which carries him into battle.
- ★ An orphan girl was raised by _____. When she becomes a teenager, her animal helper(s) lead her to discover where she was born.
- ★ The village baker's son can't bake. He burns everything. His father is a cruel man and intends to cast his son out unless he can learn the craft. Aided by a family of magical _____s, the boy changes his future.
- ★ The responsibility of the crown isn't for the princess. She runs away from the palace but gets lost deep in Ogre country. A young _____ escapes the Ogres' prison, and the unlikely companions team up to find a way out and new lives.
