HOW THE PROGRAM WORKS

WHO:
Any teen entering 7th - 12th grade in the St. Tammany Parish School District can participate.

WHAT:
Read any book that interests you. Repeat until you've read 100 books by the time you graduate high school.

WHEN:
We don't expect you to complete this program in a week, a month, or even a year. It is self-paced, not a race!

WHY:
We know that high school is a busy time and 100 books is…well, a lot of books, but reading can provide stress relief, increase empathy, improve your vocabulary, develop your writing skills, and overall make you a better human being.

HOW:
Use Beanstack to log your reading progress. This log will help you keep track.

PRIZES:
After each 25 books read, visit your favorite branch to pick up your earned prize. When you reach 100 books you will receive your completion prize AND your name will get placed on the library's teen web page's Hall of Fame!

*Reading helps **build social and emotional skills**, **sparks creativity** and **imagination**, **promotes bonding**, and **helps you succeed in life**.*
*Take that motivation, open one book, and get ready for success!*

Remember, 100 is just a number. The goal is to work reading into your regular routine, and let the magic of stories do the rest.

HAPPY READING!

100 BOOKS
before
graduation
