This book should remain in circulation on the shelf. If someone
doesn't like it, they don't have to read it. This process makes
our LGBTQ citizens feel unwelcome.

This book is clearly targeted at young adults, ^{not children} the only reason it is being attacked is because it has LGBTQ+ characters. I feel it is age appropriate and it should stay.

I have read the statement of complaint and it contains many fake quotes, clearly indicating the complainant never read it. I did read it, and it was an age appropriate book for children struggling with gender identity. Please keep it on the shelf.
