

St. Tammany Parish Library PUBLIC RECORDS REQUEST

A Public Records Request may be made by any person eighteen (18) years of age or older for a public record. The requestor may inspect, copy, reproduce, or obtain a copy or reproduction of a public record produced by, or in the possession of, the public entity. The right to make such a request is granted by the State of Louisiana through the Louisiana Public Records Law, La. Rev. Stat. 44:1- 41, and Article 3, Section 3 of the Louisiana State Constitution. Public Records Requests must ask for a record. Public Records Requests are not designed to simply answer a question posed by the requestor.

To make a Public Records Request to St. Tammany Parish Library, complete a Public Records Request form. Then, submit the completed request form in one of the following ways:

Via Fax: (985) 871-1224

Via Email: tanya@stpl.us

Via U.S. Postal Service Mail:

Public Records Request

STPL

1112 W. 21st Ave.

Covington, LA 70433

*** Please note that information submitted to a public body, such as St. Tammany Parish Library, may become public record pursuant to the provisions of the Louisiana Public Records Law, located at La. Rev. Stat. 44:1, et seq.***

After you submit your request it will be acknowledged through a letter which signals the beginning of the fulfillment process. The initial letter will describe the process as it pertains to the acknowledged request, and lay out costs that the requestor may incur, and provide an estimate of the time reasonably necessary to fulfill the request.

By law, a Public Records Request must be completed within a reasonable amount of time. Factors that determine reasonableness include the breadth and scope of the request and whether an Information Technology search is conducted.

The request is then reviewed by the Civil Division of the 22nd Judicial District Attorney's Office for general exceptions, exclusions, or limitations to the Public Records Law (documents that are not considered public records or are excepted from the law and cannot be available to the requestor).

The requestor will be notified when the records are available for review including reproduction options (physical or electronic.) Costs will be provided to the requestor once the documents have been collected, reviewed, redacted (if necessary), and page numbered. There is no cost to view the records during regular business hours of the Library Administration Office.
